Dear Sir

In consequence of the death of the late Mr. H. M. Fladgate the power which was granted to him and the late Mr. Clarke has become vacated, and to enable us to receive the dividends as well as the dividend which we have already advanced to you, it is necessary that a new power should be executed by Madam Llano, and we think perhaps it would be more convenient that we should send, as we now do, a power which we have obtained for you to forward for execution by her.—

The Power should be executed

according to the instructions
on the first page marked No 3
We shall be glad to receive the
book
as early as possible, or that we
may put matters in train
without further delay.—

Yours faithfully
J Radgate
